**NAME OF TRUST:**

This trust shall be known as the WAYNE E. KING LIVING TRUST, DATED AUGUST 8, 1997.

**PRIMARY TRUSTEE:**

I hereby designate myself and my wife, RUTH A. KING, as the primary co-trustees of this trust. We or either of us may exercise dominion and control over any and all of the trust assets pursuant to the terms of the Trust. If either of us should be unavailable to serve the other shall serve alone.

**C. SUCCESSOR TRUSTEES:**

I designate my daughters, TAMARA F. MEZO and TRACY A. RICKMAN, or the survivor of them, as the successor trustees of this trust, if the above named co-trustee is not available to serve as trustee. My successor trustees are to assume the duties as trustee hereunder upon my resignation, death, or disappearance, or if I am certified in writing to be incompetent as provided under Article Five of this Declaration of Trust. Except as otherwise specified within the provisions of this Declaration of Trust, in the event of my incompetency, my successor trustees are to use the income and assets of this trust exclusively for my health, education, support, or maintenance.

**D. ALTERNATE SUCCESSOR TRUSTEE:**

If my daughters, TAMARA F. MEZO AND TRACY A. RICKMAN, are both unable or unwilling to act as successor trustees, I appoint the FIRST TENNESSEE BANK, MEMPHIS, TENNESSEE as successor trustee to serve with all rights and responsibilities given to the original successor trustees.

**E. ABILITY TO DELEGATE TO ONE TRUSTEE:**

If it is impractical for all of the acting co-successor trustees to act as successor trustees, if all of the acting successor trustees agree in writing, they may appoint

one of the successor trustees as sole successor trustee, and the successor trustee so appointed shall solely have all rights and responsibilities hereinbefore given to all named successor trustees.

F. **RESIGNATION OF TRUSTEE(S):**

Any trustee may resign at any time by giving at least thirty days prior written notice, specifying the effective date of the resignation to any other trustees then serving and to the trustee appointed by this Declaration of Trust to act upon the resigning trustee's resignation.

G. **IF NO NAMED TRUSTEE CAN ACT:**

If no trustee named in this trust is willing and able to act, a trustee or co-trustees may be named by the majority of income and remainder beneficiaries named herein. The vote of any minor beneficiary may be placed by the legal guardian of said minor beneficiary.

H. **COMPENSATION FOR SUCCESSOR TRUSTEE(S):**

My successor trustee(s) shall serve with reasonable compensation. If co-successor trustees act, compensation shall be divided equally between acting co-trustees, except as otherwise agreed by all co-successor trustees. If a corporate trustee serves as trustee, they shall serve with reasonable compensation in accordance with their regularly adopted fee schedule as may be in effect at the time such services are performed. Additionally, all expenses of any type incurred by my successor trustee(s) in carrying out duties under this trust shall be paid for from the trust.

I. **BOND WAIVED:**

No bond will be required of the primary trustee or the successor trustee(s), or any other trustee(s) named herein.

J. **ACCOUNTING TO BENEFICIARIES REQUIRED:**

The primary trustee will render such accounting to the successor trustee(s) as the primary trustee deems advisable for the purpose of advising the successor trustee(s) of the nature and location of the assets of the trust. The successor trustee(s) shall make a written accounting to all remainder beneficiaries of the net proceeds of this trust or to their guardians at least annually and at the time that all assets of this living trust are distributed. Said accounting shall consist of a record showing assets on hand at the time of the last accounting, plus

additions, minus expenses and distributions, which shall equal current assets on hand. The successor trustee(s) shall not be required to obtain authority or approval of any court in the exercise of any power conferred upon the successor trustee(s), nor shall the successor trustee(s) be required to make accountings or reports to any court.

K. **PRIMARY BENEFICIARY:**

I hereby designate myself as the primary beneficiary of this trust. As long as I shall live, I will have the exclusive right to the use and benefit of the income and the assets of this trust. Upon my death, my successor trustee(s) shall take charge of the assets then remaining in this trust and distribute them according to the plan of distribution in Article Two of this Declaration of Trust document.

\*\*\* ARTICLE TWO \*\*\*  
**PLAN OF DISTRIBUTION**

A. **PLAN OF DISTRIBUTION UPON MY DEATH:**

Upon my death my successor trustee(s) shall take charge of the assets then remaining in this trust and make distribution thereof according to the following plan of distribution:

1. Pay all of my legally enforceable debts, including the expenses of my last illness and funeral expenses, current bills and any and all other expenses incurred in closing out this trust and making distribution of assets thereof.
2. My children are TAMARA F. MEZO and TRACY A. RICKMAN. I have four grandchildren. Any grandchildren born after the date of this trust shall be treated as though they were named with other named grandchildren in the provisions of this trust.
3. If my spouse, RUTH A. KING, survives me, my personal effects, including automobiles, boats, sporting equipment, jewelry, furniture, furnishings, china, glassware, silver and household equipment (except those items which are specifically given to a beneficiary elsewhere in this trust agreement in which case said specific gift shall take precedence over this paragraph) shall go to my surviving spouse. If my spouse, RUTH A. KING, does not survive me, then I direct that my successor trustee(s) divide my personal effects, as described above (except those items which are specifically given to a beneficiary elsewhere in this trust agreement in which case said specific gift shall take precedence over this paragraph), among my children or their issue by representation as they may agree or, failing such agreement, in such manner as my successor trustee(s) may deem equitable. If my spouse does not survive me and if my children or their issue by representation do not agree, I give my successor trustee(s) full discretion to determine the division and distribution of the articles above referred to between my children or their issue by representation, and such determination shall be binding on all persons. If any beneficiary of mine is a minor at the time of such division, distribution shall be made to the person having custody of him or her for purposes of this provision, and the receipt of such person for the distributable share of such minor shall fully and completely release my successor trustee(s) from responsibility for such personal property.

4. The net proceeds of the trust remaining after compliance with the above provisions are to be given to my spouse, RUTH A. KING, if my spouse survives me, but my spouse shall have the right to disclaim all or any part of the net proceeds. Said assets disclaimed shall be selected by my spouse. Upon said disclaimer of assets by my spouse, the disclaimed whole or portion shall be distributed to and administered as a separate trust, hereinafter referred to as the Credit Shelter Trust.

#### **IRREVOCABLE CREDIT SHELTER TRUST**

My spouse and my daughter, TAMARA F. MEZO, shall be co-trustees of the Credit Shelter Trust and shall be entitled to manage the assets of the Credit Shelter Trust, but the plan of distribution and all terms of this Credit Shelter Trust shall be irrevocable and unamendable upon my death. My spouse shall be entitled to receive all of the income therefrom for life. At the end of each fiscal year, my spouse may elect to receive all of the remaining income of the Credit Shelter Trust for that year not previously taken or may elect to pass such income on to my children or my grandchildren in such portions as my spouse sees fit. In addition to other payments from this Trust as herein authorized, there shall be paid to my spouse during my spouse's lifetime from the principal of this Trust, upon my spouse's written request during the last month of each calendar year of the Trust, an amount not to exceed the greater of Five Thousand Dollars (\$5,000) or Five Percent (5%) of the total value of the principal of this Trust on the last day of the calendar year without reduction for the principal payment for such calendar year. This \$5,000 or Five Percent (5%) right of withdrawal is non-cumulative, so if my spouse does not withdraw the full amount to which my spouse is entitled during a calendar year, my spouse's right to withdraw the \$5,000 or Five Percent (5%) for that year shall lapse at the end of that calendar year.

After the preceding provisions are complied with, my daughter, TAMARA F. MEZO, shall act as special trustee, with sole right and power to distribute principal over and above the distributions authorized in the preceding provisions of this paragraph, to my spouse. The special trustee, in the special trustee's sole discretion, may distribute all or any part of the principal of the Credit Shelter Trust remaining after the preceding provisions are complied with, to or for the benefit of the surviving spouse in such proportions and in such amounts as the special trustee deems appropriate.

Notwithstanding any other provisions of this Declaration of Trust, under no circumstances shall my spouse act as sole trustee of the Credit Shelter

Trust. This paragraph shall take precedence over any other provisions of this Declaration of Trust.

If my spouse is unable or unwilling to act as trustee, then TAMARA F. MEZO, shall act with all rights and responsibilities given to the original trustee.

If TAMARA F. MEZO, is unable or unwilling to act as trustee, my daughter, TRACY A. RICKMAN, shall serve with all rights and responsibilities given to the original trustee.

I authorize and empower my Credit Shelter trustee(s) to invest, reinvest, transfer, and convey any and all property held in this Credit Shelter Trust. This includes all power now or hereafter conferred upon trustee(s) by applicable state law, and also those powers appropriate to the orderly and effective administration of the trust.

The Credit Shelter trustee(s) shall make a written accounting to my surviving spouse at least annually, and shall make a written accounting to all remainder beneficiaries of the net proceeds of this trust at the time that all assets of this Credit Shelter Trust are distributed. Said accounting shall consist of a record showing assets on hand at the time of the last accounting, plus additions, minus expenses and distributions, which shall equal current assets on hand. The Credit Shelter trustee(s) shall not be required to obtain authority or approval of any court in the exercise of any power conferred upon the trustee(s), nor shall said trustee(s) be required to make accountings or reportings to any court. My trustee(s) shall serve with reasonable compensation. If a corporate trustee serves as trustee, they shall serve with reasonable compensation in accordance with their regularly adopted fee schedule as may be in effect at the time such services are performed. Additionally, all expenses of any type incurred by my trustee(s) in carrying out duties under this trust shall be paid for from the trust.

Upon my spouse's death, my trustee(s) shall make distribution of the assets then remaining in this Credit Shelter Trust according to the following plan of distribution:

- a. The net proceeds of this trust remaining after compliance with the above provisions are to be divided between my children, in equal shares. If a child does not survive me, I give the share of the deceased child to the following described testamentary trustee(s), for the following uses and purposes and subject to the following described trusts for the benefit of my deceased child's issue by

representation. If the deceased child leaves no surviving issue, then that child's share shall be given in equal shares to my other children or to the following described testamentary trustee(s) for the benefit of their issue by representation.

- (1) If any beneficiary who is to receive a portion of my trust has not yet reached the age of twenty-three (23) years at the time of my death, then the successor trustee(s) shall act as testamentary trustee(s) of the portion of this trust given to said beneficiary(ies), until said beneficiary(ies) reach the age of twenty-three (23) years, and retain it in a separate trust for said beneficiary. Until the testamentary trust terminates, the testamentary trustee(s) shall pay to the beneficiary(ies) or for the beneficiary(ies)' benefit, from the income or principal of the beneficiary(ies)' trust, such sum or sums as the testamentary trustee(s) shall deem necessary or proper to provide for that beneficiary(ies)' suitable support, health, education and maintenance, adding any unused income to the principal at the end of each year. When the beneficiary of the trust reaches the age of twenty-three (23) years, the testamentary trustee(s) shall distribute all remaining principal and any accumulated income to said beneficiary, and the testamentary trust shall terminate.
- (2) The testamentary trustee(s) shall make a written accounting to all beneficiaries or to their guardians at least annually and at the time that all assets of this testamentary trust are distributed. Said accounting shall consist of a record showing assets on hand at the time of the last accounting, plus additions, minus expenses and distributions, which shall equal current assets on hand. The testamentary trustee(s) shall not be required to obtain authority or approval of any court in the exercise of any power conferred upon the trustee(s), nor shall said trustee(s) be required to make accountings or reportings to any court. The testamentary trustee(s) shall serve with reasonable compensation.
- (3) In the event of the death of any beneficiary prior to the termination of that beneficiary's testamentary trust, then the testamentary trustee(s) shall distribute the deceased beneficiary's trust principal and accumulated income to

the deceased beneficiary's issue by right of representation, and, if none shall then be living, then the deceased beneficiary's trust shall be distributed in equal shares to the beneficiaries of each other trust created in this paragraph or to the other trust beneficiary's issue by representation. If a beneficiary's trust is still in existence, said share from a deceased beneficiary shall be added to the existing trust and held under the terms and conditions of that existing trust. If a beneficiary's trust is no longer in existence, that beneficiary shall receive his/her share of the deceased beneficiary's share outright.

- (4) This spendthrift provision is intended for the personal protection and welfare of the beneficiary(ies). No interest of a beneficiary under this instrument shall be subject to transfer, assignment, anticipation, pledge or seizure by legal process, or be subject during the beneficiary's life to the claims of the beneficiary's creditors or to any claims for maintenance or for support of the beneficiary's spouse. If my testamentary trustee(s) believe the interest of a beneficiary is threatened to be diverted in any manner from the purpose of a trust as stated above, my testamentary trustee(s) shall withhold any distributions and shall apply payment in any manner which will contribute to the health, support, maintenance and education of the beneficiary(ies). Whenever my testamentary trustee(s) are satisfied that the diversion is no longer threatened, resumption of distribution is authorized. This provision shall not be construed to extend the term of any trust.

5. If my spouse, RUTH A. KING, does not survive me, the net proceeds of this trust remaining after compliance with the above provisions shall be distributed pursuant to the plan of distribution of Credit Shelter Trust assets upon the death of my surviving spouse, which provisions are herein incorporated by reference.

**B. IF ALL BENEFICIARIES PREDECEASE:**

If no beneficiaries nor alternate beneficiaries named herein survive, then I give the net proceeds of this trust to ADOPT AN ANNUITANT PROGRAM of the ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION..

C. **ABILITY TO TERMINATE SMALL TESTAMENTARY TRUST:**

Notwithstanding any other provision of this living trust, if at any time any testamentary trust created in this Declaration of Trust is reduced to an amount which the testamentary trustee(s), in the trustee(s)' sole discretion, believe makes the trust no longer economically feasible, the trustee(s) may, in the trustee(s)' sole discretion, either:

- terminate such trust and distribute the trust property to the person(s) then entitled to the income or to receive or to have the benefit of the income therefrom or to the legal representative of such person. If there is more than one income beneficiary, the distribution to such income beneficiaries shall be made in the proportion in which they are beneficiaries or if no proportion is designated, in equal shares to such beneficiaries, or
- purchase and deliver to the income beneficiary(ies) restrictive savings accounts, certificates of deposit, annuities, endowments, or comparable investments which the trustee(s) deem proper, or
- distribute the trust assets to a custodian for the beneficiary(ies) under the Uniform Gifts to Minor's Act.

However, the provisions of this paragraph shall not affect the irrevocability or limited management rights of beneficiary(ies) of any Credit Shelter Trust created by the terms of this Declaration of Trust Agreement.

D. **RULE AGAINST PERPETUITIES:**

Any power of appointment created by this living trust shall be exercisable by the designated donee, if, and only if, the power is exercised prior to twenty-one years after the death of the last to die of my descendants in being at the time of my death. Any property interest transferred by this living trust shall vest no later than twenty-one years after the death of the last to die of my descendants in being at the time of my death

E. **IN TERROREM:**

The distributions designated in this trust are intended to be in lieu of any other claims, of whatever nature and whether arising by statute or otherwise, by any taker hereunder, and any taker who asserts any other claim or contests this trust

shall forfeit all interest in any property, income or other benefit to him/her. Any property, income or other benefit forfeited by the operation of this paragraph shall be distributed as part of the net proceeds of this living trust as if the taker asserting the claim did not survive.

F. **AUTHORIZATION TO CONSOLIDATE TRUSTS:**

I authorize my testamentary trustee(s) to consolidate all testamentary trust(s) which are for the benefit of identical beneficiaries and contain identical or substantially identical terms and provisions, whether created by this trust agreement or pursuant to other documents.

G. **SURVIVORSHIP CLAUSE:**

If any beneficiary dies prior to the termination of this living trust or within thirty (30) days after the date of my death, whichever is earlier, any interests which would have passed to said beneficiary under the provisions of this living trust are to be disposed of according to the plan of distribution which would have been effective under this living trust if such beneficiary had predeceased me. It is my intention that any property or interest which is distributed from my living trust as a result of any transfer authorized by my successor trustee(s) prior to the death of said beneficiary will not be revoked or otherwise affected by the subsequent death of the distributee.

H. **SIMULTANEOUS DEATH PROVISION:**

If my spouse and I should die under such circumstances as would render it doubtful as to which died first, then it shall be conclusively presumed for the purposes of this living trust that I died first.

\*\*\* ARTICLE THREE \*\*\*  
**GRANTOR POWERS**

A. **POWER TO FUND THE TRUST:**

After this trust is duly executed, I will execute and deliver all deeds, assignments, bills of sale, written instructions and other legal documents necessary to convey and register all of my assets that I choose to place in trust under this trust to be owned by the trustee(s) of this trust and held and administered under the terms and conditions of this trust. Assets which are evidenced by titles or deeds currently being transferred to the trustee of this trust are listed on Schedule A, which is attached to this trust and made a part of this trust. I hereby transfer to this trust all assets not requiring titles or deeds, including but not limited to my furniture, wearing apparel, and personal possessions. Additionally, the grantor is now holding and will hold, solely and exclusively for and on behalf of such trust, the following: any and all properties of all kinds, whether presently owned or hereafter acquired including, without limitation:

bank accounts, certificates of deposit, mutual and money market funds of all kinds, securities, agency and custody accounts, notes, and real estate wherever located.

All such property is hereby transferred to and the same shall be owned by such trust.

This declaration shall apply even though record ownership or title, in some instances, may, presently or in the future, be registered in my individual name, in which event such record ownership shall hereafter be deemed held in trust even though such trusteeship remains undisclosed.

All assets transferred to the trustee of this trust, whether now or at a later date, shall become part of the trust estate and be subject to all terms and provisions of this trust document.

B. **POWER TO AMEND:**

During my lifetime this trust may be amended in whole or in part by an instrument in writing, signed by me, and delivered to all acting trustee(s) (which may be me), except as may be limited by Article One or Two of this Declaration of Trust.

C. **POWER TO REVOKE:**

During my lifetime, I may revoke the trust, in whole or in part, by an instrument in writing, signed by me and delivered to all acting trustee(s) (which may be me), except as may be limited by Article One or Two of this Declaration of Trust. Upon revocation, the trustee(s) shall deliver the trust property to me.

D. **POWER TO CHANGE TRUSTEE:**

During my lifetime, I may change the trustee(s) or successor trustee(s) of this trust by an instrument in writing, signed by me and delivered to all acting trustee(s) (which may be me), except as may be limited by Article One or Two of this Declaration of Trust.

**\*\*\* ARTICLE FOUR \*\*\***  
**TRUSTEE(S)' POWERS**

**A. MANAGEMENT OF TRUST PROPERTY:**

With respect to property governed by any trust created under this agreement, except as otherwise specifically provided in this trust, the trustee(s) shall have all the rights, powers and authority to deal with and manage the assets of this trust that an individual owner would have if there was no trust and the trustee(s) were acting as legally competent individual(s) dealing with their own property. This includes, but is by no means limited to the right to borrow against or pledge any of the trust assets, including the right to mortgage real estate and margin stocks or other securities owned by the trustee(s) of the trust. This includes all powers now or hereafter conferred upon trustee(s) by applicable state law, and also those powers appropriate to the orderly and effective administration of the trust. 5. To establish lines of credit and to guarantee any and all loans made to the grantor regardless of the purpose of the loan.
6. To participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers and liquidations and, in connection therewith, to deposit securities with and transfer title and all rights and responsibilities to any protective or other committee as the trustee(s) may deem advisable.
7. To acquire or dispose of an asset for cash or on credit, at public or private sale, and to exchange, partition, change the character of or abandon a trust asset or any interest herein.

14. To engage in covered call writing.
15. To buy, sell and trade in securities of any nature.
16. To hold a security in the name of a nominee or in any other form without disclosure of the trust, so that title to the security may pass by delivery,

but the trustee(s) shall be liable for any act of the nominee in connection with the security so held.

17. To insure the assets of the trust against damage or loss, and the trustee(s) against liability with respect to third persons.
18. To advance money for the protection of the trust and for all expenses, losses and liabilities sustained in the administration of the trust or because of the holding or ownership of any trust assets. Thereon, the trustee(s) shall have a lien on the trust assets for any such advances.
19. To pay or contest any claim; to settle a claim by or against the trust by compromise, arbitration or otherwise; to release, in whole or in part, any claim belonging to the trust to the extent that the claim is uncollectible; and to institute, compromise and defend actions and proceedings.
20. To commence or defend litigation with respect to the trust or any property of the trust estate as trustee(s) may deem advisable and to employ such counsel as the trustee(s) shall deem advisable for that purpose.
21. To enforce any mortgage, deed of trust or pledge and, at any sale under any mortgage, deed of trust or pledge, to bid and purchase, at the expense of the trust, any property subject to any such security instrument.
22. To pay taxes, assessments, any compensation of trustee(s) as allowed under other provisions of this Declaration of Trust and other reasonable expenses incurred in the collection, care, administration and protection of the trust.
23. To continue or participate in any business or other enterprise and to effect incorporation, dissolution or other change in the form of organization of the business or enterprise.

25. To appoint a general or special agent to act on trustee(s)' behalf. Any power of attorney the trustee(s) create pursuant to this power shall cease when the appointing trustee(s) cease to act as trustee(s).

26. After the death of the grantor, upon any division or partial or final distribution of the trust estate, the trustee(s) shall have the power to partition, allot and distribute the trust estate in undivided interests or in kind, or partly in money and partly in kind, at valuations determined by the trustee(s), and to sell such property as the trustee(s) consider necessary to make such division or distribution. The trustee(s) may make non pro rata divisions between beneficiaries as long as the respective assets allocated to separate trusts or shares or the distributions to beneficiaries have equivalent or proportionate fair market value.
27. The trustee(s) shall have the power to deal with governmental agencies; to make applications for, receive and administer any of the following benefits, if applicable: Social Security, Medicare, Medicaid, Supplemental Security Income, and any other government resources and community support services available. The trustee(s) shall have the power to explore and implement legally acceptable Medicaid planning strategies and options to plan and accomplish asset preservation if the grantor needs long-term health and nursing care.
28. If my estate is probated and the estate does not contain sufficient funds with which to pay legally enforceable debts and expenses, the personal representative(s) of my estate shall have the right to request that the trustee(s) of this trust distribute to the estate an amount necessary to satisfy the legally enforceable debts and expenses, and the trustee(s) are authorized, in the sole discretion of the trustee(s), to distribute funds to the estate for said debts and expenses, except that the trustee(s) shall make no payment from assets, such as life insurance proceeds, that would otherwise be immune from creditors' claims.
29. A beneficiary may disclaim all or any part of said beneficiary's interest in any property distributable to the beneficiary provided the disclaimer is made in accordance with the requirements for a disclaimer pursuant to I.R.C. § 2518. In addition, property passing to the trustee(s) of any trust under this trust agreement may be disclaimed by said trustee(s) without court approval or approval of beneficiaries.
30. The trustee(s) shall have the power to permit any beneficiary to use any tangible personal property held as an asset of a trust without incurring liability to the trustee(s) or the beneficiary(ies) for damage to, or consumption or loss of, such property.
31. The trustee(s) are authorized to divide any trust, whether existing or to be established, into two or more separate smaller trusts, without any

requirement for said trusts to be equal in value, and without any requirement for discretionary distributions to be made proportionally among said trusts, whenever the trustee(s) believe such division may achieve desirable tax results for the trust or its beneficiaries, promote easier administration or otherwise be in the best interests of the trust or its beneficiaries. Upon termination of any separate smaller trust, the trustee(s) are authorized to distribute from any one such trust to any beneficiary in proportions/amounts as the trustee(s) consider desirable so long as distribution from all such separate smaller trusts would, if such trusts were a single trust, satisfy the provisions governing the trust before its division.

32. The trustee(s) may appoint one or more outside investment managers to provide discretionary investment management of all or part of the trust's property, and may delegate investment authority to such managers with respect to the trust property committed to manager's discretion. The trustee(s) may compensate any such investment manager for its services without reduction of the trustee(s)' compensation. Any such delegation shall be evidenced by an investment advisory agreement or similar document.
33. In the event any corporate trustee(s) shall merge, consolidate with, sell, or transfer substantially all of its business assets to another corporation, state or federal, the corporation resulting from such merger or consolidation of the corporation to which it is converted or to which such sale or transfer shall be made, shall hereupon become the trustee(s) hereunder with the same effect as though originally named.
34. Any expense incurred by the trustee(s) under this Article may be charged against income or principal as the trustee(s) shall determine in a fair and equitable manner to the extent the allocation is not covered by statute.
35. The trustee(s) are authorized, in the trustee(s)' absolute discretion, with respect to environmental issues that may arise with respect to any property, real or personal, at any time held under any provision of this trust agreement and without authorization by any court and in addition to any other rights, powers, authority and privileges granted by any other provision of this trust agreement or by statute or general rules of law:
  - a. To use or expend the trust income and principal to (1) conduct environmental assessments, audits, and site monitoring to determine compliance with any environmental law or regulations thereunder; (2) take all appropriate remedial action to contain,

cleanup or remove any environmental hazard including a spill, release, discharge or contamination, either on its own accord or in response to regulations thereunder; (3) defend, settle, or act upon legal proceedings brought about by any local, state, federal or foreign agency concerned with environmental law or regulations thereunder; (4) comply with any local, state or federal agency order or court order directing an assessment, abatement or cleanup of any environmental hazards; and (5) employ agents, consultants and legal counsel to assist or perform the above undertakings or actions.

- b. To disclaim, in whole or in part, any interest in property for any reason, including but not limited to a concern that such property could cause potential liability under any federal, state, local or foreign environmental law.
- c. The trustee(s) shall not be liable for any loss or depreciation in value sustained by the trust as a result of the trustee(s) retaining any property upon which there is later discovered to be hazardous materials or substances requiring action pursuant to any federal, state, local or foreign environmental law, unless the trustee(s) contributed to the loss or depreciation in value through willful default, willful misconduct or gross negligence.
- d. Notwithstanding any provision in this trust agreement to the contrary, the trustee(s) may withhold a distribution to a beneficiary until receiving from the beneficiary an indemnification agreement in which the beneficiary agrees to indemnify the trustee(s) against any claims filed against the trustee(s) as "owner" or "operator" under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 as subsequently amended from time to time or against any regulation thereof.

**\*\*\* ARTICLE FIVE \*\*\***  
**GENERAL PROVISIONS**

**A. CERTIFICATE OF TRUSTEE AUTHORITY AND POWER:**

A Certificate of Trustee Authority and Power signed by a majority of the serving trustee(s) of this trust and acknowledged before a notary public shall be conclusive evidence upon all persons and institutions and for all purposes of the facts stated in said Certificate respecting the terms of the trust, the text of the trust, and regarding who are from time to time trustee(s) of the trust.

**B. SPENDTHRIFT PROVISION:**

No interest in the principal or income of any trust created under this trust instrument shall be anticipated, assigned, encumbered or subjected to creditors' claims or legal process before actual receipt by a beneficiary. This paragraph shall not prohibit an assignment by a beneficiary to any other beneficiary of this trust. This provision shall not apply to my interest in the trust estate.

**C. INCAPACITY OF TRUSTEE:**

Whenever two licensed, practicing medical doctors who are not related by blood or marriage to me or any beneficiary or trustee of this trust certify in writing that a person serving as trustee cannot discharge the duties of trustee because of mental or physical infirmity and the certificates are personally served upon that person, then the office of that person shall be deemed vacated and the alternate trustee provisions under Article One of this Declaration of Trust shall apply. However, if after receipt of the certificates, the trustee alleged to be incompetent gives written notice to the person causing the certificates to be issued that he or she disagrees with the doctors, then the trustee shall continue in office unless he or she resigns or is removed by a court of competent jurisdiction. If, at a later date, the removed trustee regains competency and can evidence said competency with written affidavits from two licensed, practicing medical doctors who are not related by blood or marriage to me or any beneficiary or trustee of this trust, and serves said affidavits upon at least one (1) acting trustee, the removed trustee shall resume duties as trustee hereunder. Anyone dealing with the trust may rely upon written medical certificates or a photocopy of them, presented to them by the successor trustee(s), or original trustee, and shall incur no liability to any beneficiary for any dealings with any designated trustee(s) or successor trustee(s) in good faith reliance on said certificates. This provision is inserted in this document to encourage third parties to deal with any trustee or successor trustee(s) without the need for court proceedings.

D. **INCAPACITY OF THE GRANTOR:**

If I am replaced as trustee of this trust as provided above, the successor trustee(s) shall use the trust estate for my benefit and for the benefit of anyone else authorized by Article One or Two of this living trust. Any income not paid to or for my benefit or to or for the benefit of other authorized beneficiaries shall be added to the principal.

The foregoing shall also apply to distributions by the trustee(s) whenever the grantor who is not serving as trustee becomes incapacitated. My incapacity or regaining of capacity shall be established in the same manner provided for establishing the incapacity or regaining of capacity of trustee(s) as provided in Article Five C. above.

E. **ASSURANCES OF GRANTOR:**

I hereby agree that anyone dealing with the trust may rely on the original trust document and in the absence of actual notice of any modification or revocation of this trust, it shall be conclusively presumed that the trust is in full force and effect as stated herein. This assurance is given to encourage people to deal with the acting trustee(s) or grantor. Further, this assurance is given to encourage successor trustee(s) to rely on the trust document as presented to the successor trustee(s). This provision is binding upon all successors in interest to this trust.

F. **LIABILITY OF TRUSTEE(S):**

1. **LIABILITY OF SUCCESSOR TRUSTEE(S):**

No trustee shall be liable for or responsible for any act, omission or default of any predecessor trustee. No successor trustee shall have a duty to audit or investigate the administration of accounts by a predecessor trustee.

2. **NOTICE TO TRUSTEE(S):**

Unless the trustee(s) receive actual written notice of an event affecting a beneficial interest in this trust, the trustee(s) shall not be liable to any beneficiary for making distributions as though the event had not occurred.

3. **APPLICATION OF TRUST FUNDS:**

The trustee(s) shall be solely responsible for the manner in which trust assets are applied. No person paying money or delivering property to the trustee(s) shall be responsible for its application.

G. **GIFTS MADE BY GRANTOR:**

Any distribution made as a gift of principal or income of this trust to anyone other than grantor shall be considered a distribution of such assets first to grantor and then a direct transfer of such assets from grantor to donee(s). Grantor suggests, but does not legally mandate, that any assets which are the subject of such a gift be first distributed to grantor so that grantor can complete such gifts directly.

H. **DISAPPEARANCE:**

If I should disappear and my whereabouts should remain unknown for a period of forty-five (45) days, my successor trustee(s) shall take over the management of this trust until I return. If I am not seen or heard of for a period of two years and my body has not been recovered, my successor trustee(s) shall presume that I am not alive, and shall proceed with the distribution of the assets of this trust as hereinbefore provided.

I. **SINGULAR/PLURAL, GENDER AND DEFINITIONS OF COMMON TERMS:**

Wherever the context requires, the singular includes the plural, and the masculine includes the feminine and neuter. The words "child", "children", "grandchild" and "grandchildren" shall include legally adopted children and grandchildren and children and grandchildren born or adopted before or after the execution of this trust, but shall not include stepchildren or stepgrandchildren who have not been legally adopted. Also, in construing this trust, the terms "lineal descendants" and "issue" shall include legally adopted lineal descendants and issue and lineal descendants and issue born or adopted before or after the execution of this trust. The word *testamentary* shall be construed as meaning *arising after death*, and shall not be construed to imply any requirement of a probate proceeding of any type.
